## KYOROOGI / SPARRING RULES & DIVISIONS

The current WT & USAT rules will govern this tournament. The organizing committee may modify rules according to the local conditions. May combine or divide weight categories depending the size of the group.

### Ages 11 & Under (Color Belts) **NO HEAD CONTACT**

Sparring competitors ages 11 & younger color belts may not make head contact at any time during the competition. A competitor who executes a technique to the head area will be subject to following actions:

- Any technique attempted to the head area but does not make contact will be given a verbal warning by the referee.
- Any technique which makes any contact with the head area will result in a one-point deduction by the referee (Gamjeom).
- If the competitor cannot continue because of contact to the head area, the attacker will be disqualified. Inability to continue competition because of fright, crying, or loss of will following a legal kick to the body does not constitute grounds for disqualification of the attacker.

### Black Belts Ages 11 & Younger, Color Belts Ages 12 & Above **LIGHT HEAD CONTACT (JSR)**

Competitors are encouraged to attempt kicks to the facial area; however, absolute control must be exercised or the appropriate penalty shall be invoked.

- The competitor who executes a successful kick (light contact without causing injury) shall be awarded 3 points.
- The competitor who executes a successful turning kick (light contact without causing injury) shall be awarded 6 points.
- The competitor who executes a kick to the face or neck, which results in a minor injury shall receive a 1 point deduction. A minor injury is defined as an abrasion or bleeding caused by excessive contact.
- The competitor who executes a kick to the face or neck, which results in the inability of the opponent to continue because of injury shall be disqualified. The jury, referee, and judges after consultation with the tournament physician shall make the determination. (Note: Inability to continue because of fright, crying, or loss of will following a legal kick to the head does not constitute grounds for disqualification of the attacker). However, if the referee and judges feel an injury was due to a malicious attack (with anger or the intent to injure), the attacker will be disqualified.

### **BLACK BELTS (CADETS 12-14), (JUNIORS 15-17), & (SENIORS 18-32) FULL HEAD CONTACT (SR. RULES)**

World Class Divisions will be divided according to weight.

The Tournament Committee reserve the right to change the duration of rounds as necessary. **(World Class divisions will have 90 seconds rounds.)**

**DIVISION:** Competitors will be divided according to their age, weight, belt rank, and specified category group. Every group will have a maximum of 4 competitors (World Class divisions will have no limit of competitors). World Class divisions will strictly follow the respective weight classes. Every effort will be made to pair each competitor with a compatible opponent. The Tournament Committee reserves the right to further divide or combine (within reason) the divisions to give all competitors a fair chance to compete.

**\*\*Note: The Tournament Director/Chairman may change the time limit and alter weight division if necessary to ensure fairness and maintain safety.**
